## FORTHCOMING ENGAGEMENTS

Come along and speak with one of the team about local issues or for help and advice.

**Scheduled engagements will return in 2021!**

## OUR PRIORITIES THIS QUARTER

Every three months, we listen to your concerns and look at recent crime statistics to shape the things we will concentrate on for the next three months. Based on this, our priority for the next quarter is:

### **Road Safety – in relation to children and young people**

If you think there is an issue we should be focusing on, please get in touch at one of our public engagement events or contact us by email or social media.

## WHAT'S BEEN HAPPENING? –DEC 2020

### Neighbourhood Priority Actions

In line with our current priority of Road Safety, speed enforcement outside, or close to, schools in our area has been carried out by NPT staff. Speed enforcement was carried out on:

Saundergate Lane, Wyberton; London Road Wyberton; Wyberton Low Road; Willington Road, Kirton; Station Road, Kirton; Station Road, Sutterton and South Street, Swineshead.

A significant number of motorists were stopped and spoken to regarding their excessive speed, and 8 speeding tickets have been issued. The fastest speed recorded was a vehicle travelling at 47mph in a 30mph limit on Wyberton Low Road.

NPT staff have carried out school parking patrols outside schools which have been flagged up as having issues with vehicles not obeying school safety zones.

We have also been working in partnership with Thomas Middlecott Academy, Kirton with our free bicycle lights initiative. So far we have given away over 100 free sets of bicycle lights to school pupils. The funding for these lights has come from the Proceeds of Crime Fund.

We will continue this initiative, making them available to any young person within our local community, until stocks run out.
