FORTHCOMING ENGAGEMENTS

Due to the ongoing lockdown we do not have any scheduled engagements at this time.

LOCAL PRIORITY

Every three months, we listen to your concerns and look at recent crime statistics to shape the things we will concentrate on for the next three months. Our priority(s) for the next quarter is:

Crime and Anti-Social Behaviour on Marsh Lane Industrial Estate

Marsh Lane is an incredibly busy area during this current time of lockdown. We have seen issues of vehicle related anti-social behaviour and an increase in crime patterns such as bicycle thefts, vehicle crime, fuel theft and drugs offences. Targeted patrols will be carried out to combat these issues.

WHAT'S BEEN HAPPENING

Crime and Anti-Social Behaviour at Marsh Lane

We have had a number of early successes with our new neighbourhood priority. We have increased patrols around the area and have liaised with a great deal of people and businesses to form a clear intelligence picture. This has led to the following results:

Rural West officers have seized trucks on Bittern Way which were found to be on false number plates. One of these trucks was found to contain an industrial pump, piping and several empty tanks. These seizures are believed to have prevented a large scale diesel theft

Following a large gathering of vehicles acting in an anti-social manner on Bittern Way two vehicles were seized for insurance offences. A number of COVID tickets were also issued to those people gathered

Suspicious activity was reported at two units on Lealand Way. Officers have attended and found that both were being used for substantial cannabis growing activities. A large amount of cannabis has been seized and two arrests have been made.
