FORTHCOMING ENGAGEMENTS

Forthcoming engagements will be publicised shortly

LOCAL PRIORITY

Every three months, we listen to your concerns and look at recent crime statistics to shape the things we will concentrate on for the next three months. Our priority(s) for the next quarter is:

Youth related anti-social behaviour

Following concerns raised by members of public, along with our online consultation, we have decided to focus on youth related anti-social behaviour for the next three months. We traditionally see a spike in these types of reported incidents during the summer months.

WHAT'S BEEN HAPPENING

Youth related anti-social behaviour

Traditionally, incidents of anti-social behaviour peak over the summer months and we believed that dedicated patrols of hotspot areas and enforcement action would help reduce incidents.

Looking at previous hotspot areas, and following reports from members of the public, we focused on the following areas - Parthian Avenue/Winter Way at Wyberton, Dame Sarah Swift Park/High Street at Kirton and the Playing Field at Swineshead

Throughout the summer, the policing team have carried out high visibility patrols, and engaged with dozens of young people.

In partnership with Boston Borough Council, we have issued 10 anti-social behaviour warning letters to young people. This enforcement action is designed to deter further offending.

We have also carried out visits to properties with social housing providers, where appropriate, to reinforce the message of reducing anti-social behaviour to parents.
