FORTHCOMING ENGAGEMENTS

Scam awareness sessions will be held at various coffee mornings and community events at locations across our beat area.

LOCAL PRIORITY

Every three months, we listen to your concerns and look at recent crime statistics to shape the things we will concentrate on for the next three months. Our priority(s) for the next quarter is:

Scam Awareness

We have received many reports of increasingly sophisticated scams affecting residents in our local communities, therefore this is the issue we have chosen to target for the next three months.

WHAT'S BEEN HAPPENING

Scam Awareness

As a result of numerous concerns raised by local residents, we have been holding a number of scam awareness events across our beat area.

To date, we have attended coffee mornings in Kirton, Wyberton, Frampton and Fosdyke, and also attended community group meetings in the Wyberton area. So far, we have engaged with over 100 people and have issued scam awareness literature, as well as discussing the most common types of scam and offering advice to people to avoid being a victim of scams.

Officers have also carried out individual house visits to victims of scams as part of Operation Signature. This is a Lincolnshire Police operation which aims to give bespoke scam advice and target hardening tactics to people who have been identified as being vulnerable.
