Wigtoft Churchyard

We have been lucky enough to have had the Probation Community Pay Back team in our Churchyard. They came for six Mondays and worked hard to make the churchyard neat and tidy. Our thanks go to all the team involved. Thanks also to the ladies who provided refreshments and stayed all day at the church whilst the workers were there. We now need volunteers to carry on the good work, Can You Help??, if so please contact anyone from PCC.

Our thanks also to Curtis who has mowed the grass for quite a while but has now stepped down. Are you the person (or persons) who could take over that task ??

Our churchyard looks amazing now and we need people to help keep it a place to be proud of.

Village Hall News & Events

We are progressing with our fund raising for the new heating system, and to date have raised £1,596. This has been done through monies raised from events held so far this year and also private donations. A huge thank you to everyone who has either attended an event or made a donation. We appreciate it massively and we now have just £ 2,404 to go!!

A small part of the monies raised is also going towards updating the lighting in the main hall to led lights, helping us to not only see better but save money too ! They have just been installed and the hall is now much, much brighter.

Dog Fouling – Sadly, whilst dog fouling has improved around the village, and we must thank those that have started picking up after their dog, there are some areas which have not improved. If this is you please make an effort to clean up after your dog. Having dog mess on our paths is not only unsightly, it is a health hazard and is actually illegal.

Great effort is made to keep our village free from litter and looking its best. So please, enjoy exercising your pooch and pick up after your dog so that others can also enjoy their walk and their environment.

We are privileged to have a lovely park in Wigtoft that many families enjoy visiting, both from within the village and outside the village. A great deal of time, effort and money is spent keeping it a safe and fun place for both younger and older children to play.

Unfortunately recently there have been occasions where people have ignored both the signs of “No Dogs Allowed” and have not only taken them into the park and let them off lead, but also into the smaller younger children’s play area too.

In order to keep the park safe for all children to play and not to have the hazard of dog mess please adhere to the signs and do not bring dogs into the park. Thank you

Spies in Dairy

By Alexander M (Story from the BBC 500 word story competition – 10 to 13 year old category)

My name is Alex Picton, I'm quite a quiet boy and I'm very shy but I'm here to tell you about my other life, my dangerous life, my life as a spy.

I live in the town of Dairy, it's a peaceful town in North Yorkshire. It's not very big and we have our own little tight knit community, but it's all a charade, a ruse if you like. It's what you don't see that matters. In Dairy there are two lead organisations the SSFOS (secret society for over seventies) and TUFSA (the under fourteens spy association) that's the group I'm in.

Don't get me wrong, life being a spy is great but there is just one problem. We're at war, yes that's right SSFOS and TUFSA are at war the most serious as of all, A SPELLING BEE. Look I know that might sound pathetic but trust me it is a big deal in the spy industry. Every year the town of Dairy does this, it's tradition. However, in this tradition every year, someone, one side or the other cheats.

Two years ago, the SSFOS provided the cakes. They were Victoria sponges. (It would have been better if it was chocolate cake but that's beside the point, anyway, back to the story). So, these cakes (they weren't chocolate) were laced with a powerful drug that made the TUFSA contestants mix up their letters and spell things backwards.

The following year all the TUFSA competitors, all wore the same glasses. Steel rimmed, just like Harry Potter, but when looked carefully, the lenses were tiny computer screens, across which the word scrolled very slowly giving you time to read.

This year was different to any other, because each group was only allowed to pick one member to represent them and TUFSA for some reason picked me.

Today was the day, the day when I went up against my opponent, Joan Smith. Joan was the village crossword champion and rumour has it she's even mastered sudoku. She is a black belt in Scrabble and known as the 'silent assassin of Cluedo'. Without doubt the toughest opponent that SSFOS could give me.

The game was afoot. I went first 'Especially' E-S-P-E-C-I-A-L-L-Y, Correct! One-nil TUFSA. Now it was Joan's turn. The word was nicotine, she got it right. It was not one all. Loads of rounds past. We had words like pharmaceutical, metaphor, inconsistent and so many more. It finally got down to the final round. It was all tied at 19 all, whoever won this would take home the trophy. It all comes down to this, the word was arachnophobia. Joan went first A-R-A-C-H-N-A-P-H-O-B-A, "that is incorrect" shouted the commentator. It was now my turn. I start spelling A-R-A-C-H-N-O-P-H-O-B-I-A, "Correct" comes a reply from the commentator. I did it I cheer, I won!! I turned to Joan and whispered "thanks Gran". Joan just smiled, once in TUFSA, always in TUFSA. Who are the best spies now then ??

“Yesterday I took time to visit the wildlife garden. It is so beautiful, so well designed and cared for. Please convey our gratitude to those who have provided Wigtoft with this lovely natural space. A place to enjoy, walk and sit”.

32/23 Councillors’ Reports

Cllr IM – some pot holes have been filled in on Asperton Road and some have been left untreated. Cllr IM will let the clerk have details of the locations. Dog fouling is still happening near Fishmere End Road. Suggest we put a notice in the newsletter again. Cllr S Brigham – what are the Councillors thoughts re asking people to leave when then bring dogs into the park? Members of the public who have been approached and politely asked not to bring their dogs in can occasionally be verbally abusive. There is clear signage at the entrance to the park. Cllr SC suggested asking the community police team to check the park when they are driving by. Clerk to contact local PCSO’s.

33/23 Clerk’s report

Darren Rush has dealt with the damaged tree in the playing field. The invoice is included in this month’s meeting schedule of payments to be approved.

Re the sign for the Bowls Club, I have forwarded a quote to them from the Pelican Trust. No reply has been received from the original enquiry to LCC about a brown tourist sign. This has been chased. No reply received yet. I have been advised by Nathan Chapman that the gate and fencing will be fitted in the Wild Life Garden by the end of June.

34/23 To confirm the quote of £5 per cut for the area around the benches in the Wildlife Garden to be strimmed. To confirm the payment for £80 for urgent safety work on a tree in the playing field.

It was resolved to accept the quote of £5 per cut and to make the payment of £80 for the tree work

35/23 To confirm the review of the Risk Assessment document.

The document had been sent out to Councillors prior to the meeting. The Clerk advised Council that the document had been thoroughly reviewed and minor changes made. It was resolved to accept the revised version.

36/23 To review the June play area inspection, including the inspection of the footpath in front of the chicken farm, undertaken by Cllr Smith. To decide who will do the monthly inspection due this month. To review the plan for the volunteering day in the playing field and to decide who will undertake any actions need on the day the work is due to take place and also the following day.

The inspection findings were reviewed. Any minor items have previously been noted and actions are in hand. Cllr Leggott volunteered to undertake the July inspection and Cllr Redhead volunteered to undertake the August inspection. The plan for the volunteering day was reviewed and any outstanding actions were agreed on.

37/23 To discuss the email from Lincs County Council about the offer of free litter picking equipment.

The clerk had contacted the litter picking group prior to the meeting. They currently get their equipment from Boston Borough Council and would prefer to keep to that arrangement. They have asked if LCC have any bag hoops. It was resolved that the clerk should respond to LCC to ask about the hoops. ACTION: Clerk to contact LCC.

38/23 To discuss the idea of using a Handyman for general work in the village.

Following a discussion it was decided that this is an idea worth investigating. It was resolved in the first instance that the clerk should contact Smart Gardens to see if they would be interested in taking on the ad hoc work and to ask for a quote for the hourly rate to be charged. **ACTION: Clerk to make contact.** Meeting closed at 20:17. Next meeting 7.8.23 at 19:30.

Could This Be You ???

Would you have a little time available when needed to help do maintenance jobs within the village for the Parish Council?

We occasionally have maintenance jobs such as painting of equipment, benches etc and also the cleaning of them. The making good of anything broken and completing a park inspection.

This is not regular work, rather just when needed and will be paid for on an hourly rate.

If you are interested, please give Ann, the Parish Clerk a call on 07791 21802 at wigtoftpc@gmail.com
